*After the bid opening was closed, Jeremy Burger/Ground Breaking Solutions, realized there was a mistake with his bid form. For the written portion of the lump sum base bid, he wrote out what should have been the total for his base bid & alternates. Based on what he filled in for items 1-5 under the base bid, the total should have been \$74,000.00. And then if you add in his 3 alternates, the grand total is \$111,200.00 which is what was read during the bid opening.
